

WIN A SUZUKI RMX250 at the Armenia Dual Sport Ride

The Armenia Dual Sport Ride is pleased to announce that we are the benefactor of this 1993 Suzuki RMX250P to be raffled and given away at our event.

This bike was donated by Gil Derosier of Royal Welding, Inc., in honor of the Blue Ridge Pathfinders Motorcycle Club, along with funds to accomplish a partial restoration, in honor of the Women of the Armenia United Methodist Church who make all of the delicious deserts.

“Suzuki dove back into the off-road arena with their RMX250 in 1989. It came off of the success of Randy Hawkins winning National Enduro titles on a modified RM250 in 1988 and before switching to the RMX the next year. Randy went on to win four more titles for Suzuki mounted on a modified RMX250.”

This RMX has a new top end, new plastic, and new chain & sprockets. IRC tires, front & rear, only have a couple of rides on them. During this partial restoration each piece removed has been meticulously cleaned and polished. Although not in show room condition, it's very close. In addition, it comes with the original front fender, an extra seat, extra radiator shrouds, extra graphics, and numerous other parts.

Raffle tickets will be available beginning with the “Rooster Run” at Broxton Bridge on January 19th and 20th, 2019.
