

ARMENIA DUAL SPORT BIKE RAFFLE

2002 KTM 520 MXC

The Armenia Dual Sport is pleased to announce that once again this year we have another bike raffle thanks to Mr. Gil Derosier of Royal Welding who has donated it in the name of the Blue Ridge Pathfinders.

This KTM 520 MXC has already received a thorough overhaul (although it probably didn't need it) and it is ready to go for your next dual sport ride and is street legal. All you need to do is register it in your name and install a tag. This bike has meticulously maintained with a total of 30+ hours from the bottom up. Rebuild was done as maintenance as the engine was running fine at teardown. All KTM recommended upgrades were done with OEM parts, Dave Hopkins top end work, Mr. Crankshaft crank rebuild. All parts were replaced that showed wear or was out of specifications. It needs nothing but a tag and a rider, it is ready to go. Look at the upgrade list below.

Upgrade and work list:

New Renthal twin ring sprockets and chain, new chain guides, new plastic and graphics, Trail Tech II speedo/odo, Pro-motion suspension for 210lb rider, upgraded two piece clutch side cover, GPR stabilizer, carb rebuilt with Quickshot accelerator pump and JD jet kit, Lithium battery, new brake pad and discs, master cylinder rebuilt, seal savers, Pro-Moto kickstand (heavy duty), radiator guards, ProCircuit T4 silencer, gripper seat, all lights switched out to LED and tires are about 75% or better. Comes with extra parts and full shop manual . Plus many more not listed.

Raffle tickets will be available beginning with the "Rooster Run" at Broxton Bridge on January 18th and 19th, 2020.
