

September 11 & 12, 2021

Come ride some of the best adventure riding east of the Mississippi. All in the Appalachian Mountains, on the NC/TN border. A mix of Jeep roads, fire roads, dirt roads & rural twisty black top. Elevation changes from 1200' to 5500'. Rideable by all skill levels on 1190s to 250s. Knobbies not needed but it's more fun with them.

Seven routes are available with dirt/pavement percentages of 90/10, 50/50, 40/60, 10/90. Most routes are around 7 hours with a couple shorter ones of appx 3 hours each that can be added to either of the longer routes for a long day of riding.

With so many routes, stay & ride for more than just the weekend.

All routes are self-guided with gas & food along the way and start/end at our host, Pineola Inn & Campground.

Route sheets are available for \$65 or more with donations going to help support M.D. Anderson Cancer Research
