This is an AMA Sanctioned event. AMA membership is required for all riders and passengers. AMA memberships will be available at Registration.

Bikes must be street legal. We will have an inspection!

The ride will consist of dirt roads, woods roads, single track trails and paved roads. Adventure bikes welcomed. Your bike must be licensed and insured. Bring a route sheet holder. We anticipate 40 plus miles of single-track trails and more than 100 miles of assorted roads. Adventure bikes can opt out the single track and continue on the roads. The ride will be self-guided following a route sheet and is being made under a special use permit obtained through Manchester State Forest. Some of the route will only be available under the special use permit and cannot be ridden at any other time.

Primitive camping will be available at the SERMA Club House. For safety reasons, absolutely no camp fires. Sunday lunch is included in the registration fee and will be served to all our guests.

Manchester State Forest has a lot of users. You could encounter horses on the roads. Stop, shut off your bike and let the horses pass by. Please pack out all trash with you.
